

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**SB 2486 – HB 2666**

January 25, 2010

**SUMMARY OF BILL:** Prohibits a city or county government from issuing or renewing a permit to sell beer for off-premises consumption to any applicant or licensee with a drive-through, drive-up, or curb service.

**ESTIMATED FISCAL IMPACT:**

**Decrease State Revenue - Not Significant**

**Decrease Local Revenue – Not Significant**

**Decrease Local Expenditures – Not Significant**

Assumptions:

- Prohibiting the sale of beer at drive-through, drive-up or curb side service locations will slightly reduce the amount of beer sold. The decrease in the amount of beer sold is estimated to be not significant.
- The not significant reduction in beer sales will result in a not significant reduction in state beer tax revenue.
- The not significant reduction in beer sales will result in a not significant reduction in local permit revenue.
- There will be an insignificant reduction in local expenditures by reducing the number of permits required to be monitored.
